

VIRGINIANS HEADED FOR FRONT PORCH

By GEORGE H. HOLMES
SPECIAL CORRESPONDENT (N. SERVICE)
NASHVILLE, O., Sept. 24.—Hundreds of West Virginia Republicans will come to Greater Warren H. Harding's front porch today to be addressed by the candidate. Most of the West Virginians are coming through from their homes after stopping over in Columbus en route.

The West Virginia campaign is one of the best of the strictly front porch campaign which, with the exception of the Minnesota trip, Senator Harding has carried out since his nomination. The front porch campaign of Harding ends tomorrow with one of his last days in Marion has seen.

Some two traveling men, all members of the Harding and Coolidge Traveling Men's league will descend on Marion tomorrow from many large cities of the east and midwest.

Special trains will begin pouring into the city early tomorrow. Elaborate preparations are being made for their reception and entertainment during their short stay here.

While tomorrow officially marks the closing of the Marion campaign, Senator Harding will receive pilgrimages here between the trips which have been arranged for him during October.

Senator Harding also plans to dip more deeply into the Ohio campaign during the next month, devoting as much time thereto as his other engagements permit. Several dates are in the making for speeches through the state.
